Background on Question 1

The **City of Middleton Sustainability Committee** recommended that the Common Council present an advisory climate referendum to the voters on the Nov. 8 ballot. Other committee achievements include:

- The Community Solar/ Police Station project
- The Middleton Recycle Center
- Toilet Rebate program
- Creation of the City Sustainability Plan

Background on Question 2

Carbon fee and dividend is a solution that's simple, fair, and market-friendly. It...

- Places a fee on fossil fuels at the source (mine, well, port)
- Returns 100% of the fee as a dividend to U.S. households
- Cuts greenhouse gas emissions by 50% in 20 years
- Creates 2.8 million jobs, boosts our GDP.
- Averts 227,000 premature deaths over 20 years
