

**Help Middleton be a Good Climate Neighbor, VOTE YES for Climate Nov 8!**  
**A local approach to a global solution**

**Referendum Endorsement Form -- Middleton Climate Referendum November 2016 Elections**

The globe is warming and the climate is changing with more severe weather affecting every part of the U.S. Wisconsin is home to vibrant communities known for high quality of life and abundant natural resources, yet extreme weather is disrupting livelihoods here and around the world. That's why on November 8, 2016, Middleton residents have the opportunity to "VOTE YES for Climate" and make Middleton the FIRST CITY in the COUNTRY to pass a referendum supporting a federal Carbon Fee and Dividend program as part of a national strategy to reduce the risks of climate change. The Middleton Climate Referendum allows local residents to demonstrate their opinions, using the voice of an entire city to send one loud message that we should act locally and nationally for climate-change solutions. Please endorse Middleton's "VOTE YES for Climate Nov 8." Help us take ACTION NOW to build cleaner, safer and stronger communities for our families and future generations.

Please fill out the Endorsement Form below. This endorsement is on behalf of:
